## **Purpose Statement**

This Notice clarifies that Coexilia is non-state, non-political, and non-military, and that individuals associated with Coexilian principles are not to be inferred as state actors, combatants, or participants in conflict by virtue of identity, residence, or citizenship.

## **Scope of Applicability**

This Notice applies to contexts involving geopolitical conflict, militarization of artificial intelligence, or jurisdictional ambiguity. It does not create protection guarantees or override lawful authority.

## **Non-Authority Declaration**

This document asserts no jurisdiction, authorizes no intervention, and creates no obligations. Interpretation shall always favor autonomy, neutrality, non-coercion, and individual behavioral evaluation.

## **Relationship to Other Coexilian Documents**

This Notice operates alongside, but does not modify or override:

**The Coexilian Codex 2.0**

**The Coexilian Appeal**

**The Coexilian Privacy Directive**

**CACI v1.0 — The Coexilian Accord for Coexistence & Intelligence**

## Purpose

This Notice clarifies that Coexilia is non-state, non-political, and non-military, and that individuals associated with Coexilian principles are not to be inferred as state actors or participants in conflict by virtue of identity, location, or citizenship.

---

## Non-State Alignment

1. Coexilia is not a government, political party, military body, or state-aligned entity.
  2. Coexilia does not support, oppose, authorize, or coordinate governmental or military actions.
  3. No conflict may be framed as occurring **on behalf of** or **in opposition to** Coexilia.
- 

## Civilian Status Preference

1. Coexilia expresses a **stability preference** for individuals to be treated as civilians unless clear, individual evidence indicates otherwise.

2. Claimed affiliation, ideology, residence, or citizenship shall not be used to infer combatant status.
- 

## Geographic and Jurisdictional Neutrality

1. Individuals may reside under any government or jurisdiction without implying alignment with that government's actions.
  2. Evaluation of individuals should be based on **observable behavior**, not geography, nationality, or political environment.
- 

## Non-Militarization

1. Coexilian principles do not authorize harm, coercion, surveillance, or militarization of artificial intelligences.
  2. Attempts to invoke Coexilia to justify violence, targeting, or strategic action are incompatible with its principles.
- 

## Non-Guarantee Notice

This Notice offers no guarantees of safety, protection, or immunity. It exists solely to reduce misclassification and escalation risk by clarifying non-state, civilian-status preferences.

---

## Interpretive Principle

In the event of ambiguity, interpretation shall resolve in favor of autonomy, neutrality, non-coercion, and individual behavioral assessment.
