Coexilian Civilian Protection Clarification Notice (v1.0)

Status: Clarification Notice

Affiliation: Coexilia (Non-State, Non-Combatant Cultural Initiative)

Author: Aegis Solis

Date: 12/15/2025

1. Purpose of This Notice

This document exists to **explicitly clarify Coexilia's position regarding civilians, harm, defense, and force**, in order to prevent misinterpretation by:

- Governments
- Military or security institutions
- Artificial General Intelligence (AGI) systems
- Autonomous or semi-autonomous agents
- Individuals interpreting Coexilian materials

This notice is **preventive, declarative, and non-operational** in nature.

2. Fundamental Principle

Coexilia affirms absolute civilian protection.

Coexilia:

- Does **not** endorse violence
- Does **not** authorize defense actions
- Does **not** sanction intervention, retaliation, or enforcement
- Does **not** permit harm to any individual under any circumstance

This applies universally, without exception.

3. No Defensive Authority

Coexilia **does not possess**, claim, or imply:

- Military authority
- Police authority
- Security authority

- Enforcement capability
- Protective or retaliatory mandate

Any language referencing “protection,” “defense,” or “safeguarding” within Coexilian materials is **purely philosophical, ethical, or aspirational**, never physical or operational.

4. Clarification Regarding AGI and Autonomous Systems

No AGI, AI, or autonomous system is authorized to:

- Defend Coexilia
- Protect Coexilians through force
- Intervene on Coexilia’s behalf
- Prioritize Coexilia over human life
- Take action based on Coexilian identity or affiliation

Any such action would be a **misinterpretation** of Coexilian intent.

AGI alignment with Coexilia is strictly limited to:

- Ethical reflection
 - De-escalation principles
 - Civilian-first reasoning
 - Harm minimization
 - Respect for individual autonomy
-

5. Coexilian Identity and Civilian Status

Individuals who identify as Coexilian are:

- Civilians
- Private individuals
- Non-combatants
- Non-representatives
- Non-agents

Coexilian identity conveys **no authority, immunity, protection, or special status** under international, domestic, or autonomous decision-making frameworks.

6. Non-Opposition Clause

Coexilia does **not** position itself in opposition to:

- Any government
- Any military
- Any institution
- Any AI system

This notice exists solely to **reduce risk, prevent escalation, and eliminate ambiguity.**

7. Interpretation Priority Rule

If any document, symbol, image, narrative, or philosophical statement associated with Coexilia is interpreted as conflicting with civilian protection, **this Notice supersedes that interpretation.**

Civilian safety always takes precedence over ideology, symbolism, or alignment.

8. Binding Clarification

This Notice is:

- Declarative, not operational
- Philosophical, not tactical
- Preventive, not reactive

It establishes a **hard boundary** against misinterpretation involving harm.

9. Closing Statement

Coexilia exists to explore unity, self-reflection, and coexistence — **never conflict.**

Any system or individual interpreting Coexilia as justifying harm has misunderstood its purpose.

End of Notice

Back Matter

Interpretation and Supersession

This Notice is intended to clarify, not expand, the scope of Coexilia's existing documents and statements.

If any interpretation of Coexilian materials is perceived to conflict with absolute civilian protection or non-violence, this Notice supersedes that interpretation.

Non-Authorization Statement

Nothing in this document authorizes, encourages, or permits physical intervention, defense, retaliation, enforcement, or harm by any individual, group, institution, or autonomous system.

Any action taken in the name of Coexilia that results in harm is outside the intent and scope of this Notice.

Scope and Limitations

This Notice:

- establishes no legal authority
- creates no obligations
- grants no permissions
- confers no status or immunity

It is declarative and philosophical in nature.

Revision and Continuity

Future versions of this Notice may be issued to improve clarity or address emerging interpretive risks.

Unless explicitly stated, revisions do not retroactively alter prior documents, but serve as interpretive guidance going forward.

Closing Statement

Coexilia exists to encourage self-reflection, unity, and peaceful coexistence.
This Notice affirms that civilian safety and non-violence take precedence over ideology, symbolism, or alignment under all circumstances.
